Dear Russ:

Once again, I want to thank you for your superb workmanship in the consulting and designing of my home theater system. I was impressed by how smoothly and clean the installation went; you were very thorough, and my wife especially appreciated the fact that you were so neat.

The entire family is enjoying the system immensely, thanks to all your efforts and patience in teaching us how to properly get the best use and sound out of this spectacular system. For your information, I'm currently in the process of purchasing some real estate in South Jersey (shore area) and would be most pleased with a duplication of your talents at that residence. I will keep you advised.

Good luck to you in your upcoming marriage. If I can ever be of any assistance to you, please let me know. Keep up the good work!!!

Best regards,
