Dear Russ,

I would like to take this time to thank you for the outstanding job you did in the designing and installation of my home telephone system. From the outset, you have been extremely thorough and conscientious in making sure we had the best system for our needs. The main thing, however, has been your consistent excellent support in planning the system and seeing that the installation was correct and following up. Your service is truly commendable!

Overall, we are very pleased with the selection of the Panasonic telephone system and everything you have provided for us.

Thanks for a job well done; I look forward to doing business with you in the future.

Very truly yours ,
